

ZEPHYR CHARTERS

BOUTIQUE ————— EVENTS

(SYDNEY, NSW)

Welcome to The Zephyr Charters Pre-Departure Safety Briefing, an essential companion to our Terms and Conditions. Prior to your journey, we kindly request that you thoroughly review this document and share its contents with fellow passengers who will be joining you on board.

By selecting the checkbox when submitting a reservation with Zephyr Charters, you are confirming your acknowledgment, agreement, and understanding of the safety instructions provided below.

Your safety is our top priority, and we appreciate your cooperation in ensuring a secure and enjoyable voyage.

- Our crew members are highly trained professionals in maritime safety procedures.
- In the event of an emergency, please pay close attention to the crew's instructions.
- Life jackets are stored in the wheelhouse and under the decks.
- The first aid kit is located in the wheelhouse.
- There are two life rings on each side of the wheelhouse.
- Running on the boat is not permitted.
- The muster station is located on the aft deck.
- Restrooms are situated on the starboard side.
- Swimming is only allowed once the vessel is anchored with the engine switched off.
- When consuming alcohol, please remember to eat food and drink plenty of water.
- It's advisable to use sunscreen when the sun is out.
- If you see or smell smoke, please inform the crew immediately.
- Keep a lookout for your mates.
- The MOB (Man Overboard) ladder will be available on the roof.
- Flotation rafts can be found on the roof.
- If you encounter any issues, don't hesitate to approach our crew for assistance.

Our crew is dedicated to ensuring your day is both special and safe, so feel free to chat with them and make yourself at home.

We sincerely appreciate your booking with us and look forward to welcoming you on board soon!
